YOUR PROBLEM KEYS

As you complete each exercise, TypingWeb learns your most troublesome keys. This lesson will generate a brand new set of exercises every time you begin, based on those keys. You can access the Your Problems lesson from the Main screen after login.

TYPING TEST

The Typing Test is a short exercise that is used to gauge your current keyboarding skills. Take it twice to begin graphing your progress on the Statistics Page. You can access the Typing Test from the Main screen after login.
